#### **Covid refund policy**

In the event that the conference cannot proceed due to Covid, the conference will be postponed. A full refund for conference fees and accommodation will be available for those who cannot attend a postponed event.

## *Call for papers*

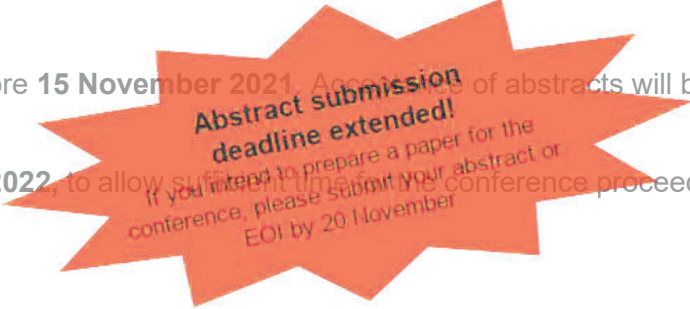

Papers are now being sought on the conference theme - Subsidence Engineering: from Art to Science.

All papers will be considered for inclusion, based on their current relevance to the themes above and the number of papers submitted. They will be peer-reviewed, printed in hard copy for collection at registration, and available online for download after the conference.

## *Abstracts*

Abstracts should be received before **15 November 2021**. Acceptance of abstracts will be issued by 29 November 2021.

Final papers are due by **1 March 2022**, to allow sufficient time for the conference proceedings to be compiled and printed.

**Abstract submission deadline extended!**  
If you intend to prepare a paper for the conference, please submit your abstract or EOI by 20 November

Abstract submission guidelines are available to [download here](#).
